

Meritor Announces Standard Position Agreement with Terex Advance Mixer

November 19, 2020

TROY, Mich., Nov. 19, 2020 /PRNewswire/ -- Meritor, Inc. (NYSE: **MTOR**) today announced it has been awarded a standard position agreement with Terex Advance Mixer to supply front- and rear-drive axles. Under the agreement, Meritor will supply its MX23-810™ front-drive axle with standard EX+™ air disc brakes, MX23-160™ front-drive axle and RT46-160™ rear-drive axle both with drum brakes or optional EX+™ air disc brakes.

"With this agreement, we'll deliver proven drivetrain solutions for Terex concrete mixers, expanding our strategic relationship with a company that values safety, quality and customer support," said Matt Wolfe, vice president of Industrial. "It's another example of Meritor's commitment to grow its Industrial business as a key priority within its corporate strategy."

"Meritor is a trusted and valued partner that has provided us with front and rear axles for years. We are excited for the continued and expanded partnership," said John Leech, general manager of Terex Advance Mixer. "As a leader in front discharge trucks, we look forward to equipping our mixers with the leading technology in the heavy-duty axle industry. Together, we can continue to provide best-in-class performance, quality and service to our customer base."
